

## **ABPA HEALTH & SAFETY POLICY**

With respect to an application for membership, the Committee must be satisfied that a prospective member is mentally and physically fit to play Pickleball.

In relation to physical fitness, the Committee must be satisfied that a prospective member is reasonably mobile, has good balance and has reasonable hand-eye co-ordination to avoid being hit by a pickleball.

In relation to mental health issues, the Committee must be satisfied that the member is not impaired in any way by medications, drugs or alcohol.
